Hi Cheryl: I was told yesterday that I was awarded the Vivian Jones lifetime achievement award. So, I agree, there is no need to keep this case open. Thank you for all your assistance.

Cheers!!

Francesca has been out on extended leave for several months and Vince Cogliano has been acting as her backup. Vince and I recently reviewed your allegation. We believe that since your management acknowledged the problem and sought to remedy it by putting you in for the lifetime achievement award, that they made a good faith effort to correct the issue. They don't have control over whether or not an award is given—and neither do we—but we feel they've done what they can. For this reason, we will be closing your allegation.

Hi Cheryl: Thank you for reaching out to me. I have not heard about the nomination of the lifetime achievement award. I am not sure what the status of those awards are. My management said they have no information available for me.

I'm writing to check-in on the status of the award. If you feel that things have been satisfactorily resolved, I would like to close out the allegation. Please let me know.

Thanks,

Hi Cheryl: Thank you for checking in. They did submit a nomination for me to receive a lifetime achievement award in January. I am told that the decisions aren't made until the fall for National awards.

How are you? I hope all is good. ☺
